Brandeis
ALUMNI & FRIENDS

FROM OUR PRESIDENT

Dear Members,

Students often refer to their educational experience at Brandeis as “Life Changing.” Many cite the warm, cozy feel of the campus and small classes that allows them easy access to faculty, affording them highly individualized education experiences.

Others say the intimacy provides for life-long friendships. Students speak about financial aid giving them the opportunity to receive a first-rate education. In fact \$60 Million a year in scholarships and grants are awarded to two-thirds of Brandeis’ under-graduate student body with admission based on academic promise rather than ability to pay!

Students experience the brilliance of exceptional faculty such as Eve Marder, a Neuroscience Professor who received the renowned Kavli Prize for groundbreaking research on the nervous system. Other noted faculty includes 10 Science Fellows, 7 Arts and Science Fellows, 7 National Academy Members, 3 Howard Hughes Medical Investigators and 2 MacArthur Fellows.

Brandeis has been ranked among the top 35 national universities by U.S. News & World Report, and Princeton Review named Brandeis 1st in the United States for student engagement in community service, a recognition of Brandeis’ longstanding commitment to social justice and giving back.

Students are also proud of their alumni, 5 Pulitzer Prize winners, a Nobel Laureate, Emmy Award winning actors, broadcasters and producers and many others too numerous to mention. Recently historian Deborah Lipstadt, PhD ’76, received the 2016 Alumni Achievement Award. Her legal battle with Holocaust denier, David Irving in 2000, was the basis for the movie “Denial”.

Alumni excitingly state that the competitive edge education, scientific innovation, academic collaboration between departments and faculty, scholarships and student services, lasting friendships and a supportive community have provided happy, positive, memorable experiences that have been transformative and life changing.

How fortunate we are that we can participate and help provide support to this great institution.

Best wishes for a very good year ahead,

Ruth

BOOK THOUGHTS

I would like to take this opportunity to tell you about some new books that will be published next year by some of the authors who are going to be speakers and who have already graced our podium. Susan Rieger who appeared in 2013 has a new book coming out called *The Heirs* about a fictional well known New York blue blood family and their complicated relationships.

Chris Bohjalian, one of this year’s authors, also has a new issue called *The Sleepwalker*. It is the fascinating story of a woman with somnambulism and its repercussions on the life of her family. Chris has released a short prequel on Amazon you can download if you would like to get a glimpse of his new novel. I read it and the story was fascinating.

I would also like to thank everyone who contributed the canned goods at the opening meeting. Helping Hands food bank was the recipient of almost 8 boxes of Thanksgiving foodstuffs. My thanks to everyone who collected and delivered the food.

Read all the books of our 2017 authors and enjoy them. They are all very different and you will soon get to see and hear all about them.

Helene Barasch

COMMUNITY OUTREACH PROGRAM 'WANT TO BECOME A COLLECTOR?' WELCOME TO CAPS OF LOVE: HELPING THE DISABLED

The goal of our non-profit organization is to help the disabled.

"Caps Of Love" is the only US affiliate with the international charity "Bouchons D'Amour." By recycling white plastic caps, we raise money to buy wheelchairs for disabled children. This also has an environmental benefit as discarded caps are put in our landfills or incinerated and harm the earth if they are not recycled. Plastic caps are a different grade of plastic from the bottles and are valuable in bulk. They can be sold to companies using recycled "post-consumer" plastic to create new products such as plastic shipping pallets, plastic park benches, plastic paint cans and many other items.

Nondiscrimination Policy

"Caps of Love" does not discriminate or support on the basis of race, religion, ethnicity, sexual orientation, socioeconomic status, national origin, or physical or developmental disability. Have you ever thought about how much you could change things just by not throwing out your plastic caps?

OR

Collect soda tabs for Ronald McDonald House and help sick children and their families. The tabs are what make "Pop Tab Bracelets". These unusual, fun bracelets sell for \$5.00 to \$15.00 and make a real fashion statement! They are the brainchild of a local teenager, Lexi Masciarella. MISSION STATEMENT

Brandeis National Committee is dedicated to providing philanthropic support to Brandeis University, a distinguished liberal arts and research University founded by the American Jewish community. Its membership is connected to the University through fundraising and activities that reflect the values on which the University was founded: academic excellence, social justice, non-sectarianism and service to the community.
